

Sheriff John's Classic Car Museum has reopened under old management with new enthusiasm! Now you'll find not only an amazing collection of classic cars for sale, but also a 50's diner serving old-fashioned hamburgers, hot dogs, malts & shakes. Seat yourself at the 1930's soda fountain and enjoy a tasty meal before you view classic movies in the Pirates Cove Cinema, peruse the collection of Artist Dolls, absorb the memorabilia of days-gone-by, and top it all off with the finest collection of show-quality cars on the coast!

On the weekends, you'll also enjoy live entertainment and dancing. Sheriff John's Classic Cars & Happy Days Malt shop is a "Must See" event for your next visit to Gold Beach.
